# POST-DIALOGUE REFLECTION PROMPTS

---

What are your general reactions to having participated in this dialogue?

What did you notice about your:

- Thinking?
- Feeling?
- Speaking?
- Listening?
- Curiosity about others?
- Understanding of others?

In what ways were you affected by the structures and processes (e.g. pause for reflection, time-limited speaking, not reacting immediately to others' comments, go-round structure, etc.)?

How could you imagine others within your community responding to the opportunity to participate in such dialogues?

What else do you want to remember, discuss, or ask about?
